

Frequently Asked Questions 2026-2027

How many kids are in a class?

The Pre-K class is licensed for 24 children with two teachers in the classroom. The 3s class will have up to 8 children with one teacher in the classroom. We have three classes available for the 3s. The 2s class usually has 6 children with one teacher. We have one (sometimes two) class available for the 2s.

What are the staff's qualifications?

Each staff member is trained in CPR and meets licensing requirements for their position. We each maintain at least 15 hours of continuing education each year. In the Pre-K classroom at least one teacher must be DPI (Department of Public Instruction) certified through the state of Wisconsin.

How much religion is taught?

Our VASD Pre-K program does not have a religious component.

In our traditional preschool programs, we read bible stories, learn prayers, and talk about Christianity throughout our other themes.

Why do we use play-based learning?

Through play we will nurture learning in social, emotional, cognitive, language and motor skills. We will use many different resources and allow for flexibility in programming. Some of our materials come from the Learning Without Tears, Creative Curriculum, Pyramid Model, and other sources. We celebrate holidays, seasons, special days, and other items that are of interest to the children.

Do you have After Class Activities or Wrap Around Care?

We will be offering After Class Activities, for an additional cost, October-May. They are typically offered on Tuesday, Wednesday, and Thursdays until 1:00. Sign-up is first comes first serve and classes only run if there is enough interest. More information will be given to those who register for the 3s or Pre-K class in August.

Do you take field trips?

In the past we have taken field trips and have had special guests come into the classroom to share their knowledge and talents. For the 2s class we do not do any field trips. The 3s class would do field trips they can walk to/from. The Pre-K class may take field trips that require bussing (provided through the district).

What is a typical day like?

At preschool, every day brings something new, and we are always ready to make adjustments for new learning opportunities that arise. Please see the "Sample Class Schedule" below to see what our school day typically look like. Each class has a schedule that is similar but might change the order of activities and timing.
